Please call our office if we may be able to assist your company with training or outreach.

TRAINING

The TRANSCAER training was held June 22 & 23 @Wilsmere off Center Rd. Attendance was good with good reviews. Dave Irwin reported there was even a couple from Mexico that the husband had to translate the classes in English to his wife. Even the instructors commented on the location etc. and they would love to come back. Dave had a presentation but unfortunately it was not compatible with our system. We will attempt to do it in November.

We continue to do several all hazard presentations. Please call if your business would like us to come in.
